

OFFICE OF THE DIRECTOR/FIRE CHIEF

July 3, 2013

INFORMATIONAL BULLETIN #13-27

TO: All Fire and Rescue Personnel

FROM: Martin L. Senterfitt, Director/Fire Chief 

RE: **JFRD Appointments**

Recognizing the strong need department wide for a refocus on training and cultural change, I have asked and was granted permission by Mayor Brown's Administration to reestablish a Chief of Fire Training.

As many of you may know, Chief Charles E. Drysdale has been fulfilling the role of both Chief of Operations and Chief of Training, and he has done a commendable job in this daunting task.

After meeting with my Division Chiefs and receiving approval from the Mayor's Office, we have decided to reorganize and have Chief Drysdale continue to perform the duties at the Training Academy and formally appoint him as the Chief of Training. Chief Wilson will move over to Division Chief of Operations. Also, I would like to announce Mayor Alvin Brown has selected District Chief Kevin L. Jones as the Chief of Fire Prevention/Fire Marshall.

With these changes, car numbers will also be reassigned. The new car numbers are as follows:

- Car #1 – Director/Fire Chief – Martin L. Senterfitt
- Car #2 – Fire Chief of Operations – Kurtis R. Wilson
- Car #3 – Fire Chief of Rescue – Ivan T. Mote
- Car #4 – Fire Chief of Training – Charles E. Drysdale
- Car #5 – Fire Chief of Prevention/Fire Marshall – Kevin L. Jones
- Car #6 – Division Chief of Emergency Preparedness – William G. Estep (Acting)
