

## FIRE AND RESCUE DEPARTMENT

December 11, 2013

### INFORMATIONAL BULLETIN #13-56

**TO:** All Fire and Rescue Personnel

**FROM:** Kurtis R. Wilson, Division Chief/Operations *KRW*

**RE:** **New Advanced Life Support Engines and Designations**

---

Effective January 1<sup>st</sup>, 2014, Engine-1 and Engine-4 will become Advanced Life Support companies. This will increase JFRD's ALS engine companies from 33 to 35.

All JFRD ALS engines will have lettering denoting the ALS capability of the unit. The decals will be gold-JFRD font used from Pierce and will be located on each side of the rear cab or roll-up door.

Tactical Support is in the process of ordering the lettering now.

The decal will read *Advanced Life Support Company*.
