RE: **Change in Roles & Responsibilities for Fire-8**

Due to the specialized roles and responsibilities of the ARFF stations (16 & 56) and Marine units (38, 39, & 40), consolidation of these stations will fall under the supervision of Fire-8. Effective January 11, 2014 the following changes will occur in Fire Operations:

Fire-8 will gain stations 38, 39, 56, and will lose stations 34 & 37.
Fire-4 will gain station 37.
Fire-7 will gain station 34.
Fire-1 will lose stations 38 & 39.
Fire-6 will lose station 56.

The ultimate goal is to unify the remaining specialties under one District Chief.
