INSTRUCTIONAL BULLETIN #13-08

TO: All Fire and Rescue Personnel

FROM: Ivan T. Mote, Division Chief/Rescue *ITM*
Robert F. Kiely, MD – Medical Director *RFK*

RE: Revocation of Orange Park Medical Center Trauma Status

Effective immediately, Orange Park Medical Center is no longer designated as a Provisional Level II Trauma Center per the Florida Department of Health – Trauma Programs.

Any adult or pediatric patient meeting Trauma Alert criteria per F.A.C. 64J-2 and patients that would benefit from care at a Trauma Center are to be **transported to Shands/UF Jacksonville Level I Trauma Center** unless care is transferred to an Air Transport Unit.

JFRD Trauma Transport Protocols are hereby immediately amended to reflect the changes above. Replacement pages for SOG-430 will be distributed shortly.

Any questions, please contact your District or Battalion Chief as appropriate.
